

Previous Governors at St Peter's CE (VA) Junior School

Mr N Jovanovic : Parent Governor : Resigned October 2015

My name is Nigel Jovanovic and I became a parent governor in 2012. I have 3 children aged 10,12 and 14, and my youngest is a pupil at St Peter's. I like helping the management committee make the best decisions for the school and I wish for it to be successful, hence accepting the position. My children and family are my pride and joy. My hobby is playing in a band and as a family we like to travel. As a professional IT specialist, I also hope I can improve the school's IT future with the best advice I can give.

Rev. B Gotts - PCC Foundation Governor : Resigned April 2016

I became the Minister of Littleover Baptist church in 2010 having trained at Regents Park College in Oxford. I am originally from Hastings on the south east coast so I miss the sea but walking in the Peak District more than makes up for it. I am married to Claire who works as a Physiotherapist. I enjoy the outdoors and also play the guitar as a hobby. I became a PCC Foundation Governor for St Peter's in 2010 and I had responsibility under the curriculum for Music, Literacy and Numeracy.

Mr T Singh Bains : Parent Governor : Resigned May 2016

My name is Tamunjit Singh Bains and I became a parent governor in 2015. I have two children aged 7 and 8, with the oldest child attending St Peter's. I have worked as a Police officer for more than a decade and have been employed in a number of both challenging and enjoyable roles. My academic achievements centre around my degree in chemistry.

I am keen on supporting the school in ensuring that pupils not only achieve but excel in achieving their potential, and this is achieved in a positive supportive learning environment.

Tina Gillson : Parent Governor : Resigned October 2017

I have been a Parent Governor since September 2016. I work full time at Derby Homes as an Income Officer and have two children, one of which is in year 5 at St Peter's School. I am married and enjoy skiing, keeping fit, travelling and the arts.

I was interested in volunteering in the local community and was especially interested in any work linked with St Peter's Church or to the School. I realise now that there is a lot to learn, but I am committed to helping and supporting the School and Church for the benefit of the children and the community.

Dr R Dewis – Resigned March 2018

I have been a member of St. Peter's church since 2005, and have supported the school as a Foundation Governor since 2008.

I am a Consultant in Public Health Medicine and am passionate about the impact of health and wellbeing on educational attainment.

I particularly enjoy monitoring the PSHE curriculum work within the school.
