

PE and Sports Premium Report 2017-18

St Peter's C.E. (VA) Junior School

What is it?

The PE and Sport Premium is a government funding initiative designed to help primary schools improve the quality of PE and sport activities they offer.

Schools receive PE and Sport Premium funding based on the number of pupils in Years 1 to 6. For the academic year September 2017 to July 2018 schools with 16 or fewer eligible pupils receive £1,000 per pupil. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil.

For the academic year September 2016 to July 2017 our school received £9,269 of PE and Sports Premium funding.

For the current academic year September 2017 to July 2018 our school will receive £18,500 of PE and Sports Premium funding.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and Sport they offer. This means that schools should use the premium to:

- Develop, or add to the PE and sport activities that schools already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and Sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

What are our main barriers to children's progress in PE and Sports?

- Ensuring all children receive consistently high quality teaching and learning.
- Children's engagement, resilience, confidence and fitness.
- Children's participation in intra, cluster, inter school and extra curricular competitions and activities.
- Children's water confidence, swimming confidence and stamina.
- Children's easy access to appropriate facilities and resources.

What are we spending our PE and Sports Premium on this year?

- Staff training and professional development.
- Increased opportunities and access to a wider variety of experiences and extra curricular activities.
- Increased participation in intra, cluster and inter school competitions and activities.
- Improving interventions, access and support for swimming.
- Improving access to appropriate facilities and resources.

See Action Plan below for more details.

Summary of Outcomes 2017 - 18

	School Results		Target
	2017	2018	2019
Children taking part in extra curricular clubs and activities	55%	50%	60%
Children who can run a mile in under 15 minutes by the end of Year 6	33%	48%	60%
Children who can swim 10m by the end of Year 6	-	%	60%
Children who can swim 25m by the end of Year 6	-	%	35%
Children who can swim 50m by the end of Year 6	-	%	25%
Children who can swim using a range of strokes effectively by the end of Year 6	-	%	50%
Children who can perform safe self-rescue in different water-based situations by the end of Year 6	-	%	25%
Number of inter and cluster school competitions and events	7	18	25

For as long as the school receives the PE and Sports Premium funding all of the above actions and associated impact are sustainable. This will be achieved by a commitment to ongoing development and improvement in staff skills and confidence and through increasing opportunities for and engagement and participation in daily physical activity, bespoke provision, interventions, extra curricular activities and inter and cluster school competitions and events.
